

Protect yourself and others

Effective 23 April 2020, Malaysia Airlines will enforce the use of protective mask by all passengers and crew at all times during:

1. Check-in

2. Boarding

3. In the aircraft cabin
(except during meals)

4. Disembarkation

5. Collection of baggage on arrival

Important to note:

For safety or security reasons, passengers will need to show their face during identity verification checks.

Malaysia Airlines also recommends and encourages passengers to:

Carry additional supply of face mask in case a change is required.

Change their face mask after every 4 hours on long-haul flights.

Carry hand sanitizer to use accordingly throughout their travel journey.
(subject to 100ml or Liquid Alcohol Gel (LAG) regulations).

Observe Social Distancing during their travel journey.
